The all-encompassing framework of the Bachelor of One Health fascinated me. It is truly unique—a program that integrates animals, humans, and the environment holistically.

I am certain that opting for U of G will pave my way towards interdisciplinary research or a career in medical sciences.

TRANSFER CREDIT ELIGIBILITY

International Baccalaureate: HL courses with grades of 5 or better for a maximum of 2.0 credits.

Transfer credit eligibility will only be considered once official results have been received by Admission Services to confirm that final grades meet our minimum requirements. For more information, visit uoguel.ph/advancedstanding.

 This program has developed my technical and non-technical skills, from programming and conducting research to presenting assignments under pressure.

These essential skills are preparing me well for the professional world.
